

November 28, 2023

To all our valued Partners, Customers, Vendors and Friends

It is with great sadness and the heaviest of hearts that we must share the passing of the owner of Spilker Precast, Tim Spilker.

Tim has occupied a large presence in the construction industry throughout the northwest for over the past 40 years. He has left a lasting impact and legacy on our built environment, and, mostly importantly, on our hearts and minds. His wisdom, patience, warmth and resolute presence will be unfathomably missed.

Spilker Precast remains committed to all current projects, and looks forward to continuing to build upon Tim's legacy in the coming decades.

Tim ensured that he left his hard work in good hands, and the team at Spilker Precast will do their utmost to live up to the example he set every day, and to continue to be of service to others with the same integrity and focus that he will be remembered for.

Thank you all for helping us build a business that Tim was exceptionally proud of, and we look forward to our continued relationship built upon all the values and vision that Tim built his business upon.

Sincerely,

Kevin Spilker  
General Manager
